THURSDAY 31st May 2018 1.00pm - 7.00pm
HMNZS Olphert, 34 Waione Street, Petone, Lower Hutt
(access and parking on Hautonga Street)

You are invited to come and see our interactive Road Show on Defence Careers in Tech. There will be trade representatives and some of their equipment on hand for you to ask about their career pathways and experience. We have over 37 different technology based careers to offer in support of our operational tempo and to achieve our missions to support New Zealand.

Come along to speak to NZ Defence Recruiters about what it takes to join the NZ Defence Force. We will cover the minimum requirements (education and fitness) and walk you through the process. If you have any questions we are happy to answer.
