

WHAT IS REACH?

REACH SCHOLARSHIP

Applications Open : 10 May
Applications Close: 15 June

R.E.A.C.H (REACH): Realising Educational Aspirations for Careers in Health, is a scholarship for Year 13 Māori secondary students interested in a career in health.

The REACH Scholarship provides a fully funded opportunity for Year 13 Māori students to spend three nights and two full days on the Otago University campus exploring health science degree options. Flights, transfers, food and accommodation in a University of Otago Residential College are included.

REACH will help you gain an understanding of 'life' on campus and learn about health science study and degree/career options at the University of Otago. You will participate in hands-on learning including lectures, labs and 'tutes', visit several of the University of Otago's Residential Colleges and meet key Māori contacts on campus.

Eligibility:

Applications are sought from full time Year 13 students of Māori descent, who are currently enrolled in a New Zealand Secondary School and are considering studying at the University of Otago the following year. All applicants should be students who are completing their final year of secondary schooling and are likely to gain University Entrance (UE).
